Vikash Gupta

About - Skills

I am a highly motivated and skilled Full Stack Developer with hands-on experience in building scalable web applications using the MERN stack (MongoDB, Express.js, React.js, Node.js). I have developed several real-world projects that showcase my expertise in both front-end and back-end development.

Address
843314, Sitamarhi , Bihar , India

Education

2022 - 2025
Bachelor of Computer Application
Baba Banda Singh Bahadur Engineering College , Punjab

2018 - 2020
Inter (Maths) with 54.8%
B.S.E.B. Patna , Bihar

Expertise

- M.E.R.N Stack
- Tailwind - CSS
- Java-Script
- H.T.M.L.
- C.S.S.

Language

Hindi

English

Projects

01
Tech Stack:Node.js,Express.js,React.js,Socket.io, MongoDB
ChatApp – Real-Time Messaging Application

- Built a real-time chat application with private messaging features.
- Integrated Socket.io for live chat updates and MongoDB for message storage and user data.
- Designed a clean and responsive front-end UI .
- Ensured secure login, logout, and protected chat rooms with proper session management.

02
TechStack:Node.js,Express.js,React.js,MongoDB,Cloudinar
LocalShop – MERN Stack Web Application

- Developed a full-stack application to help users discover local shops based on location and category.
- Implemented user authentication, image uploads for shop components, and a responsive UI with filtering/search.
- Enabled shop owners to upload and manage shop-related content easily through a dedicated portal.
- Focused on performance optimization and clean UX for seamless navigation and interaction.

03
Tech-Stack:MongoDB,Express.js,React.js, .Nodejs
Laptop-Shop – Custom E-Commerce Web App

- Built a single-vendor e-commerce platform for a local laptop shop owner to showcase and manage products online.
- Developed an intuitive admin dashboard allowing the shopkeeper to add, update, and delete laptop listings easily.
- Implemented secure authentication and product image uploads for efficient inventory management.
- Designed a clean, responsive UI tailored specifically for the client's business needs.
